

The Edison Arts Society wishes to gratefully thank Mayor Ricigliano and the Edison Township staff, as well as our larger community for all their kindness and support.
With Gratitude, Angelo Orlando, President & Anne Redlin, Artistic and Executive Director

Special thanks to Peter Flynn and Flynn's Florist for the lovely spring flowers and plants.

Our deepest thanks to all of our contributing artists, to Patricia Rubin, Gallery Director, and to our jurors listed below:

Pat Gelon is a respected member of the Terra Nova Garden Club in Edison, New Jersey and we appreciate her judging as an avid enthusiast of the outdoors and its beauty.

Shelly Colletto is an art teacher for Edison High School and we appreciate her judging based on her expertise in the field of art as well as her sincere appreciation of fine art in all forms.

Ray Skibinski is an Edison Arts Society member and visual arts instructor for EAS classes, as well as the larger community. Ray's diverse credentials as a professional artist could easily fill the page. Although we missed his wonderful work on display for this exhibit, we are grateful that he was able to bring his knowledge to judge it.
