

Exhibit of the Edison Arts Society

The Edison Municipal Gallery is a joint venture between Edison Township and the non-profit Edison Arts Society.

EAS remains committed to a cultural renaissance as we enter our second decade in the wonderfully diverse community of Edison Township.

This exhibit represents the sixth opening of this Gallery, with over 200+ feet of wall space, highly visible to members of the community who frequent the Municipal Building on many different levels. Refreshments will be served at the opening.

I understand the rules of exhibiting my artwork at the Edison Municipal Building.

The work is to remain on the walls unless sold at which time, the artwork is to be replaced by similar quality art. The artwork is to hang at the gallery in the designated space, until which time the exhibit concludes.

The Edison Township Gallery will be diligent in the security of the exhibit space but will not be liable for any damage, of any kind. The insurance coverage will be the responsibility of the participating artist.
